Correspondence solicited on all matters of local interest, or of interest to the people of Southwest Texas. Each communication must be accompanied by the name of its author, not for publication (unless so directed), but as a guarantee of good faith, and when by request anonymous signatures appear to such communications the right is reserved to disclose the name of the writer should a necessity arise for such disclosure.

Subscribers who do not receive their paper regularly are requested to notify this office and the matter will receive prompt attention and insure better service thereafter.

Issued Every Day Except Sunday.

SATURDAY JUNE 23, 1901.

## ABOUT TOWN.

A handsome brick residence is being erected by Tax Collector Damaso Lerma on Adams street, below W. F. Dennett's residence.

The captains of the schooners Geo. Locke, Katie M., and Caroline visited town today, coming up on the morning train.

At the public *bailes* will be a fine place to spread the contagion of smallpox. Wise persons will stay away from such places, until the smallpox is eradicated from our midst.

A special train went to the Point this morning at 10:40, carrying a party of Rio Grande railway officials and others to inspect the new schooner, *Beacham*. Those who went down were J. Celaya, general manager, Aug. Celaya, president, Don Simon Celaya, F. Rivadulla, L. Kowalski, N. Lopez, and J. H. Fernandez of this city, G. Aramburn and B. Urtasastegue of Matamoros.

The excitement over smallpox, caused by wild rumors circulated at first, is dying out to a considerable extent, though a number of families will hasten their departure to the Point on account of it, and some are going to the ranches. It was reported at first that there were a hundred cases, which turned out to be about ninety-six more than really existed. It is well, however, for all to exercise great precaution, taking care to avoid exposure to the disease, and keeping the system in good condition. Those who have not been vaccinated within six or seven years, should be now. With due precaution, there is little danger.

## Schooner Notes.

The schooner *Beacham*, from New Orleans, arrived off the bar at Brazos Santiago yesterday at 5 p. m., with 240 tons of general merchandise. She will probably come inside the bar this afternoon, without lightening.

The schooner *Flower of France* arrived at Point Isabel this morning, with merchandise from Galveston, and was discharged at the railroad wharf today.

The schooner *Caroline* from Lake Charles, La., with lumber arrived at the Point yesterday afternoon and discharged, ten cuts of her lumber coming up by this morning's train.

The schooner *Mathilda*, from Lake Charles, La., with lumber arrived last night and has also discharged.

## PURELY PERSONAL.

Geo. Stowe, jr., came up from the coast this morning.

Win. M. Ratcliffe, John Champion and Leo Wise were passengers to the Point last evening.

Miss Anna Kenedy left yesterday to visit her sister Mrs. W. F. Sprague at La Coma ranch in Hidalgo county.

Leo Wise, W. M. Ratcliffe, John Brito and Felix Peña were passengers on the train from the Point this morning.

Mrs. Wells and two children, accompanied by Miss Bates, visited the Point last night, returning by the morning train.

Miss Maggie Kenedy will arrive at home this afternoon, to spend vacation with her mother and sisters, her school at La Coma ranch in Hidalgo having closed for the term.

Miss Edith Foster is at present visiting relatives at Randolph, N. Y., where she will spend some time. Miss Foster will also attend the Buffalo exposition with her relatives from Randolph.

E. R. Quarles and Maj. Mose Harris went to the Point last evening. The former returned this morning, but Maj. Harris remained at the Point, to try and secure schooner transportation to Galveston.

Jas. A. Browne, arrived last night from Austin, with his daughter, Miss Irene Browne, and son Stephen Browne, and their cousin, Miss Maria Browne, who have been attending school in that city. Mr. Browne having gone recently for the purpose of escorting the young people home. Mrs. Browne and the younger children met them at the ranch and accompanied them home.

Over **500,000** cured. All druggists. Cure guaranteed. Booklet and advice FREE. Address: **STERLING REMEDY CO.**, Chicago or New York.

## One New Case.

One new case of smallpox is reported by the city physician, making five genuine cases in all. Thirteen "suspects," or persons who have been exposed to the diseases have also been brought into the detention camp. The new case was discovered last night, one mile north of town.

Dr. Combe says all of the patients are doing as well as could be expected, and that he has the situation under perfect control. Ample accommodations have been provided at the camp, by the city, and all that is possible is being done to care for its occupants and also to prevent further spread of the disease.

## Keep the Balance up.

It has been truthfully said that any disturbance of the even balance of health causes serious trouble. Nobody can be too careful to keep this balance up. When people begin to lose appetite, or to get tired easily, the least imprudence brings on sickness, weakness, or debility. The system needs a tonic, craves it, and should not be denied it; and the best tonic of which we have any knowledge is Hood's Sarsaparilla. What this medicine has done in keeping healthy people healthy, in keeping up the even balance of health, gives it the same distinction as a preventive that it enjoys as a cure.

Its early use has illustrated the wisdom of the old saying that a stitch in time saves nine. Take Hood's for appetite, strength, and endurance.

## What are Humors?

They are vitiated or morbid fluids coursing the veins and affecting the tissues. They are commonly due to defective digestion but are sometimes inherited.

How do they manifest themselves? In many forms of cutaneous eruption, salt rheum or eczema, pimples and boils, and in weakness, languor, general debility.

How are they expelled? By **Hood's Sarsaparilla** which also builds up the system that has suffered from them. It is the best medicine for all humors.

## GOING TO MEXICO.

**Accomplished Pianist Who Is Well Known In Brownsville.**

An Austin dispatch of June 18, in the San Antonio Express, says:

Mrs. Helen Ritz Hesse left today for Mexico City where she will give a series of piano recitals. Mrs. Hesse is the widow of the late Phillip Hesse and on the death of her husband about four years ago she went to Paris, France, to complete her musical education, returning to her home in Austin about a month ago. She possesses wonderful talent and at recent piano recital in this city she fairly electrified her audience. On her way to the Mexican Capital Mrs. Hesse will stop a day or two in Laredo to visit the family of her brother-in-law, Mr. Paul Hesse. She will probably remain in Mexico until fall.

Mrs. Hesse is well remembered in Brownsville, having come here as a bride with her late husband. They made their home here for over a year. Mrs. Hesse's musical talent was the source of great pleasure to her friends here, and they are much gratified to learn of the success she has since achieved in her loved art.

**AMERICA'S Greatest Medicine is Hood's Sarsaparilla, because it possesses unequalled curative powers and its record of cures is GREATEST.**

## Irrigation Company.

Among recent charters filed for record is noted the following:

Brownsville Land and Irrigation company of Dallas and Brownsville; capital stock, \$250,000. Purpose, the construction and maintenance of a system of irrigation. Incorporated by John M. Johnson, W. H. Leake and W. M. Ratcliffe. The first operation is to be in Cameron county.

This company, as THE HERALD readers know, began operations in Cameron county several months ago, having purchased over thirty thousand acres of land within six to eight miles of Brownsville. A part of this land, about two hundred acres or more, has been cleared, placed under irrigation, and planted with rice. This first planting, if successful, will be followed up next season on a much larger scale, and if success attends the company, as it doubtless will, the future of this region as a rice producing country will be assured.

## BEST FOR THE BOWELS

If you haven't a regular, healthy movement of the bowels every day, you're ill or will be. Keep your bowels open, and be well. There is the shape of a healthy physique or pill poison, is dangerous. The smoothest, easiest, most perfect way of keeping the bowels clear and clean is to take

## A BEAUTIFUL FACE

No woman can have a beautiful face without health, and few women possess such perfect health as those who regularly use

## C. F. P. FEMALE PANACEA.

Of it Sallie P. Evans, of Columbia, S. C., says: "It is undoubtedly the finest female restorer on earth." Miss Carrie J. Holmes, of Blanchard, La., says: "May God bless you; your C. F. P. (Gerstle's Female Panacea) cured me and made me the happiest girl in America." Harriet Martin, of Searcy, Ark., writes: "My health has been restored by C. F. P. I never expected to be as well as I am to-day." Jaretta P. Hunter, living in Louisiana, C. writes: "For six years I suffered from indigestion, constipation, rheumatism and aches did me no good. I suffered terribly from whites. C. F. P. has cured me." Mary A. Hunt, of Marion, Ark., says: "The bottle of C. F. P. cured me. I might quote from letters like these for an indefinite period. It is sufficient to add that C. F. P. (Gerstle's Female Panacea) will permanently cure any manner of female trouble, even the most stubborn cases which have resisted doctors and all other treatment."

Write to the LADIES' HEALTH CLUB, Chattanooga, Tenn., care J. C. Gerstle & Co., for free advice concerning your case.

**DRUGGISTS G. F. P. SELL**
